## Schedule

The notice specifies what you need to send and when you must send it by. If we do not receive it by the date set out in the notice then we may treat your application as having been withdrawn.

Please provide:

- Explanation on the differences between the emissions values of 2.4 mg/m<sup>3</sup> of sulphuric acid outlined in the table in Section 3.12.6 of the application supporting document and the value (0.5 mg/m<sup>3</sup>) used for the air quality assessment.
- Explanation why the emissions of copper and zinc emissions from point A10 and sulphur dioxide for point A9 identified in the Table in section 3.12.6 were not included in the air quality assessment.
