Our ref: RML2260v1

23 December 2022

Dear Mr Stuart Davies

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR **SWANSEA COUNCIL** to carry out **Geotechnical Investigation of the Existing River Tawe**

LICENCE NUMBER: **RML2260v1**

I am pleased to advise you that the Marine Licensing Team within Natural Resources Wales, on behalf of the Welsh Ministers, as Licensing Authority, has considered the email from your representative Gordon Randlesome, dated 22 December 2022, requesting a correction to a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant the Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **RML2260v1** and its conditions. Please note that Marine Licence **RML2260v1** supersedes Marine Licence **RML2260** in its entirety.

The restriction to only use rotary boreholing techniques has been lifted to include other types of boreholing, as set out in the RML2260 application supporting documents. This has led to the change to Table 1 Activity 1, whereby 'Rotary Boreholing' has been replaced with 'Boreholing' as the Licenced Activity.

Advisory Note

Marine Licence, **RML2260v1**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

Marine Licence, **RML2260v1** is solely granted for the work to be undertaken with the area specified in the Licence; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Finally, once again, please ensure you have read and understood Marine Licence **RML2260v1**. Should you have any queries with regards to your Marine Licence then please do not hesitate to contact the Marine Licensing Team.

Yours sincerely
