Dear Mr Grainger

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR AN UNDERGROUND HEATING SYSTEM

LICENCE NUMBER: CML2259

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated 20 September 2022 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence CML2259 and its conditions.

Advisory Note

Marine Licence, CML2259, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are advised that Natural Resources Wales has a leasehold interest in the riverbed and foreshore of the land registered under title number CYM627372. Part of your proposed scheme appears to be located within this area and it should be noted that the granting of the Marine Licence does not grant any other consents which may be required. This will need to be approved through the landowner consenting process. I would encourage you to engage with the crown estate on this matter as soon as possible by first contacting Alice Lovegrove-Jones of Jones Peckover on 01745 812 127, alice@Jonespeckover.com.

You are urged to read the conditions of Marine Licence CML2259 carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, CML2259 is solely granted for the work to be undertaken at Dyfi Estuary; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
