

Schedule 5 Notification

PART A

Permit Number:	BR9715B
Name of Operator:	Solutia UK Ltd
Location of Installation:	Corporation Road, Newport, Gwent, NP194XF
Location of the emission:	Site Effluent Pipeline
Time and date of the emission:	05/08/21 - date of initial assessment(s)

Substance(s) emitted	Media e.g. air /water	Best estimate of the quantity or the rate of emission	Time during which the emission took place
Treated Effluent	Estuary	Pipeline leak Unquantified pending excavation	Notification date through to proposed repair date (15/09/21)

Description of the failure or accident, and... Measures taken, or intended to be taken, to stop the emission:	A routine maintenance inspection highlighted the presence of a small leak on the site 18" effluent pipeline, located in the inter-tidal 'mud-flats' region The subsequent specialist assessment highlighted the need for repair, which has been scheduled for the date specified above. This date being chosen as the first available opportunity that best aligns with: tidal, wildlife, and site shutdown considerations Detailed information on the; extent & nature of the integrity failure to follow in the Part B follow-up, along with a best estimate of effluent loss for the period
