Dear Martyn

We need more information about your application

Application reference: EPR/KP3135KV (PAN-016079)

Operator: The Royal Mint Limited

Facility: The Royal Mint, Llantrisant, Pontyclun, Rhondda Cynon Taf, CF72 8YT

Thank you for your application received on 19/11/2021.

I need to ask you for some more information before I can do any more work on it. Please would you:

- Provided more detail on the emission inventory on the OPRA spreadsheet. OPRA profile you provided did not contain any information on the emission inventory. Can you confirm either if there are no substances emitted above the emission threshold (in which case this does not need to be filled in) or if there are emissions of substances above the emission threshold (in which case please fill these in and recalculate the OPRA score).
- Provide justification on the reason to add the visitor center to the installation permit boundary. The permit site boundary should be for the installation's EPR Schedule 1 activities and any other associated activities/processes. We would therefore need a site plan that does not include the proposal to add the visitor center.

If you need advice about how to complete the form, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference EPR/KP3135KV (PAN-
