Condition 2.4.1 of Dŵr Cymru Welsh Water's (DCWW) permit for the Cardigan Hospital CSO (BH0074203) states that the operator shall complete the improvements specified in schedule 1 table S1.3, as shown below, by the date specified:

As the permit variation was issued on the 21/08/2019, the weir setting and basis of calculation as well as the details of any screening should have been provided to Natural Resources Wales (NRW) by the 21/08/2021.

NRW has not received any information regarding the above improvement conditions from DCWW for Cardigan Hospital CSO. As this information should have been provided by the 21/08/2021, a category 3 non-compliance has been recorded above. To rectify this breach, we ask DCWW to complete the improvements specified in schedule 1 table S1.3 by no later than the 03/02/2023. If DCWW are unable to provide the weir setting and basis of calculation and details of any screening by this date, we ask that they explain why this is the case and confirm the date at which this information will be provided.
