

The Nook,  
Axton,  
Holywell,  
Flintshire.

CH8 9DH.

Jan 17<sup>th</sup>, 2023.

Permit Receipt Centre.

I find the application form difficult to fill in. I have a septic tank linked to my bungalow. It is a soakaway system linked to the edge of my garden and neighbouring agricultural land. ~~It~~ I have the tank emptied regularly and is disposed of correctly. The last time we had an exempt water discharge activity was October 2011.

Please inform me of the charge  
for the application
