Notice to transfer a licence on the death of the Licence Holder

Dear Mr Davies,

Thank you for your email dated 20/01/2023 providing us with copies of the death certificates and telling us of the change in the Licence Holders of licence **22/61/05/0127**.

Unfortunately, we cannot transfer or register this licence because we did not receive notification within 15 months of the date the Licence Holder passed away and the licence has lapsed (ceased to exist). In this case the lapsed date is 02/04/2021.

You are responsible for the licence and any yearly charges due up until the date the licence ended. If you have paid any charges after this date, we will refund them. Our finance department will arrange to send you the refund, or a final account if any charges are due.

If you want to continue to abstract water under the terms of the licence, you will need to submit a new application. It is an offence to abstract (take) or impound (store) water without a valid licence.

If you have any questions, please contact me on the details below.

Yours sincerely

Louise Hickman
Permit Support Officer
