Schedule

The notice specifies what you need to send and when you must send it by. If we do not receive it by the date set out in the notice then we may treat your application as having been withdrawn

1. Regarding impacts from emissions to air as a result of increase the waste throughout from 65,000 tonnes to 80,250 tonnes per annum

Provide either

- a) An H1 assessment and/or detail modelling on the potential impacts at the nearby human and ecological receptors as a result of the increase in annual mass emissions from using both furnaces at full capacity all year.

Or

- b) The original model if applicable to the proposed variation along with supporting evidence and justification to demonstrate applicability.

2. Regarding noise impact assessment

Provide the tabulated values for background measurement $L_{a90,15min}$ that was used for the report.
