Proposal summary

Please provide an outline of your proposal, including any sketches.

As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

J A Davies and his partners built these reservoirs 40 - 60 years ago and have held the licences until they were cancelled today. The impounding walls are of earth/clay. The proposal is to continue to irrigate vegetables and potatoes through the summer months to the least extent required by good husbandry.
