Dear Sir / Madam,

We need more information about your application

Application reference: PAN-019893

Operator: Castle Cement Limited

Facility: Padeswood Works

Thankyou for your email on the 14th of February in response to our schedule 5 notice requesting a noise impact assessment. Unfortunately there is some missing information we require from the noise impact assessment submitted. Please ensure all requirements as given in the following guidance are fulfilled: [Noise and vibration management: environmental permits - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/noise-and-vibration-management-environmental-permits)

In particular, the following requirements are missing from the noise impact assessment:

- Modelling files
- Justification for using building façades to record readings at some receptors and whether or not the effect of this has been considered in the modelling
- Weather conditions
- If any acoustic features have been identified

Please provide this information by the 03/03/2023.

Please quote our reference if you contact us. If you have any questions please email Ceri.jones2@naturalresourceswales.gov.uk.

Yours sincerely
