20th February 2023

Dear Sir / Madam

Application for Variation to Environmental Permit EPR/AB3591ZQ, Maelor Foods Limited - Maelor Poultry Processing Plant, Pickhill Lane, Cross Lanes, Wrexham, LL13 0UE
Reference: PAN-019328

Please find enclosed our application for a major variation to our environmental permit to cover our Phase 2 operations which will double our processing capacity to 2 million birds per week.

Note that this is a revised application following our withdrawal of the previous version on 20th January 2023 which was submitted in September 2022.

We understand that these changes must be addressed by a substantial variation and we have therefore calculated the application fee as £9628 based on our current EP OPRA profile which has been transferred onto the latest EP OPRA template to give the current charges.

When we withdrew the first application we asked NRW to retain our £9628 application fee so this is already paid. Form F1 is provided and shows the details of the payment already made.

Yours faithfully

A handwritten signature in dark ink, appearing to read "Ruehta" with a stylized flourish at the end.
