- 1) Please amend contact details for the applicant and agent.
- 2) Please extend licence expiry date by 12 months to 31/12/2026.
- 3) Please amend the materials to be deposited quantities that are stated in Table 1, Activity 1. The quantities listed in the licence are estimates that were subject to change following development of the detailed design for the scheme, in line with the Rochdale Envelope approach. We have completed the detailed design and assessed the revised quantities.
