Dear Helen,

We need more information about your application

Application reference: EPR/EP3935UC/V008 (PAN-017925)

Operator: Real Alloy UK Limited

Facility: Waunarlwydd Works, Waunarlwydd, Swansea SA5 4SF

Thank you for your application received on 04/05/2022.

I need to ask you for some more information before I can do any more work on it. Please would you

- Provide us with more information to question Form C2 question 3d3. We need a more detailed summary of your environmental management system and which parts have changed as a result of the variation.
- Provide a copy of your Accident Management Plan (AMP) and advise of any changes that have been made to the plan as a result of your proposed changes to site operations.
- Provide us with more information on potential dust arisings from the shredder and compaction processes, as well as details of your proposed dust management techniques, in particular how dust will be captured and dispose of.
- Supply a copy of relevant calibration certificates for all acoustic equipment used for the noise measurements for the noise impact assessment.

If you need advice about how to complete the form, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

Please reply within 15 working days from the date of this letter. If we don't hear from you we must return your application and fee.
