

Sediment sample plan request form

Applicant details

Title Mr
First name Damian
Last name Walsh
Address Simec Birdport
Eastern Dry Dock
Corporation Road
Postcode NP19 4RE
Mobile phone 07811 354861
Email address damian.walsh@simec.com

Volume of material to be dredged (m3)

3000

Depth of the sediment to be dredged (as opposed to the water depth to be achieved)

1 metre

Description of the location (e.g. Holyhead Port)

Simec Birdport Internal Dock
Coporation Road

Coordinates of the dredge area(s) (individually named areas, e.g. berths, should be detailed rather than one area)

LATITUDE: 51.562233833623715
LONGITUDE: -2.9674225334298976

Please also provide a GIS shapfile if possible

Dredging

Is your application for capital or maintenance dredging? Capital dredging is the removal of material that has not previously been dredged or has not been dredged in the last 10 years. This includes deepening or widening an existing dredge area. Maintenance dredging relates to the removal of material from areas which have previously been dredged (in the last 10 years) i.e dredging the same areas and to the same depth as before.

Maintenance dredging

Please provide the following details:

The last licence/application number	DML 1954
When sediment analysis was last undertaken	15-OCT-2019
When the area was last dredged	N/A

If this is to support a renewal of a marine licence, state if there are any proposed changes to operation since the last licence

N/A

Will the dredged material be disposed to sea, beneficially used, or used for another purpose?

Material to be flushed into main channel

If disposal at sea, provide the name and code of the proposed disposal site

N/A

If beneficial use, how will the material be used and what is the proposed deposit location? Provide name of location and coordinates

N/A

What material is the likely composition of the dredge sediment e.g. silt, gravel? Provide proportions of the different types of material if relevant

Silt

Provide details of any previous exclusions from dredging/disposal/beneficial use/re-use

We are restricted to dredging for four months of the year

Application fee

Please provide the method of payment

BACS

Please complete the details below which will be required for invoicing

Customer name	Simec Birdport
FAO	Damian Walsh
Purchase order number	BP7998
Address for invoice	Eastern Dry Dock Corporation Road Newport, NP19 4RE
Telephone number	07811 354861
Email address	damian.walsh@simec.com

Declaration

If you would like a copy of your completed form, please provide your preferred email address below:

damian.walsh@simec.com

I declare that the information in this application is true to the best of my knowledge. I understand that this application may be refused, or approval withdrawn if I give false or incomplete information.

Please type your name and date this form to confirm that the information you have provided is correct.

Name	Damian Walsh
Date	02/05/2023
Position in company	Port Director
