Dear Ms Haste

We need more information about your application

Application reference: PAN-021084

Operator: Sims Group UK Limited

Facility: Sims Metals Newport, Northside, South Dock, Alexandra Dock, Newport, NP20 2WE

Thank you for your application received on 06/03/2023.

Unfortunately the change that you have asked for involves more work than we can do as an minor technical variation. We must charge you for a normal variation. Please send a cheque for £ 3,445 made payable to 'Natural Resources Wales' or contact me to arrange to pay by credit/debit card.

I also need to ask you for some more information before I can do any more work on it. Please would you provide:

- An assessment of the control measures you will employ to ensure the handling and movement of electric arc furnace dust represents Best Available Techniques for this activity; and
- An assessment of the explosivity risk associated with unplanned release of electric arc furnace dust.

If you need advice about how to complete the form, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you email or write to us please quote the application reference PAN-021084 on any

correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please phone me on 03000 654064 or email Victoria.seller@naturalresourceswales.gov.uk.

Yours sincerely

Victoria Seller
