A desk based audit has been carried out to check that the new waste return forms are being completed correctly. Upon carrying out this audit it appears that NRW has not received any waste returns at all from the site for a number of years. This is unacceptable and you will need to submit these return as soon as possible and before 11th October 2015.

G4 MRMR - Reporting & Notification to NRW category 3 breach against permit condition E6.
This condition of the permit states that:

Action: Please ensure that all waste returns are submitted to NRW before the date highlighted within this report. You are required to submit 6 monthly returns twice a year. Returns are missing for all of 2013, 2014 and the first half of 2015 . If you do not submit these late returns, further breaches will be scored and we may take further enforcement action.
