Scheme:	IPPC - NRW	Scheme Membership No: 108574	

No non-conformances identified at this assessment

For office use only

The non-conformances recorded above were identified during this assessment. Where any non-conformances are required to be addressed through the submission of documentary objective evidence I will supply this to NSF Certification within the stated timescale. I agree to the enterprise being reassessed at any reasonable time to ensure continued conformance. I am aware that if admitted to the Scheme, I am required at all times operate the enterprise in accordance with the requirements of the Scheme Standards, Scheme Rules and NSF Certification Regulations in such a way that will not bring the Scheme nor NSF Certification into disrepute. I confirm that the assessor observed all reasonable biosecurity measures and Health & Safety requirements.	Client Signature	First review		Date
