Operator: Breedon Trading Limited

Facility: Minffordd Quarry, Penrhyndeudraeth, Gwynedd, LL48 6HP & Cefn Garw Quarry,

Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from Breedon Southern Limited to Breedon Trading Limited will take effect from 27/06/2023.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit please use our preferred method of request, by emailing enquiries@naturalresourceswales.gov.uk to gain a copy.

You will need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on our website at <http://naturalresources.wales/media/2124/how-to-comply-with-your-environmental-permit-additional-guidance-for-water-discharge-and-groundwater-from-point-source.pdf>

If you wish to keep your records at a site other than that of the facility, you will need to tell your local area officer within 20 working days of receiving this letter. If you do not hear back from them within a further 20 working days, please take this to mean we have agreed your record keeping location.
