### 3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

**At this time, we do not intend to take any further action.**

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

### 4. Details of our assessment

Following a report of pollution to the nearby ground at Overton Sewage Works (SW), NRW notified Dwr Cymru of the report. Dwr Cymru (DCWW) promptly attended Overton SW to investigate and carried out a clean up of the area.

DCWW pollution technician reported that the sewage litter on the ground is from an old spill and they think that this recent spill is actually from the road gullies. Due to the steep gradient of the drainage down to the sewage works it does spill in high rainfall.

NRW will continue to liaise with DCWW over this site. It will be recommended it for an NRW audit.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.
