Proposal summary

Please provide an outline of your proposal, including any sketches.

As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

Water will be generated from construction activities and surface water runoff associated with the development of the Llanelli Wellness Village Zone 1 Pentre Awel being undertaken by Bouygues UK Ltd on behalf of Carmarthenshire County Council.

Water will be abstracted from the construction of excavation swimming pools and other deep structures as part of the development. Abstracted water will be treated under an Environmental Permit (see attached) which has been applied for, prior to infiltration to ground which is subject to another permit application.
