Introductory note

This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

Administrative variation to amend the company name and registered address.

The status log of a permit sets out the permitting history, including any changes to the permit reference number. It is not backdated before 6 April 2010 (only for standalone surface water, or groundwater permits, or waste permits with no history yet created).

Status log of the permit
