Dear Mr Price

Transfer of permit

**Permit number: GWSW0418
Facility: Cwmcynwal**

Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from the estate of Mr W M Evans to you will take effect from 16/05/2012.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit you must contact your local office to get one. Telephone our Customer Contact Centre on **03708 506 506** and they will put you in touch with an area officer.

This letter contains links to web pages. We've got toolkits to help you to manage your activities. You can find them on the following web page. Please look at the list of toolkits for businesses with sewage discharges.

If you don't have internet access our Customer Contact Centre can help you find the information you need.

Customer Contact Centre on 03708 506 506 and ask to be transferred to our Welsh finance team.
