Roath Dock

Permit number EPR/AB3095ZY

Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the variation and consolidation of an environmental permit.

The following changes have been implemented as a result of an application by the operator:

- Table S1.1 as referred to by condition 2.1.1 has been amended to include Mill Scale
- Table S1.2 as referred to by condition 2.3.1 has been amended to include additional operating techniques
- Table S2.1 as referred to by condition 2.3.2 has been amended to include mill scales.

The following changes have been implemented as regulatory initiated variation:

- Condition 3.5 (Fire) has been added to the permit
- Table S1.2 as referred to by condition 2.3.1 has been amended to include additional operating techniques regarding fire prevention and mitigation plans
- Table S1.3 (Improvement Programme Requirements) as referred to by condition 2.4 has been added to the permit.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
