Details of agent, contractor, vehicles and/or vessels used to carry out works

Does the applicant wish to be included in all correspondence?
Yes

Will the works require the use of vessels?
No

Will the works require the use of any vehicles?

Yes

Proposed project details

Licensable period

Determination of applications will be based on the works taking place during these dates. Please ensure you have included an adequate contingency period. If works are not completed by the requested licence expiry date you may be required to submit a new application. Including a contingency period within your original application does not impact on the licence fee.

Start date (DD/MM/YYYY) 09/10/2023

Requested licence expiry date (DD/MM/YYYY) 13/10/2023

Please detail the location of the proposed project.

This should be either Ordnance Survey National Grid Reference (i.e. SN 12345 67890) or Latitude and Longitude in decimal degrees to 4 decimal places (i.e. Lat 52.1234 Long -4.1234), defining the extent of the project. Please specify which coordinate system has been used and if using GIS co-ordinates, specify which projection has been used.

SM9626337168

Method statement

Are the works within a sensitive area or one of the following activities: boreholes, replacement piles or beach management?

No

Method statement

Please give a brief method statement outlining the proposed project

Repair work to existing slipway.
Work to be carried out on neap tides which don't reach location of work.
Remove soft silt material to form solid bed – approx. 2cu/m
Shutter area to receive concrete, pour and finish concrete.
We hope to complete work in 3 days.

Please state the measures to be taken to minimise risk to the marine environment

Contractor is one of our Framework Contractors and will be issued with NRW pollution prevention guidelines.

Please state the measures to be taken to prevent undue interference to others

Harbour Master aware of works - slipway only used by kayak groups who can launch at alternative location during repair period.

Please state the measures to be taken to maintain navigational safety, including marking and lighting of works

No affect on Navigation Safety
