Good afternoon,

Pembrokeshire County Council have been asked by Natural Resources Wales to consult with you regarding a planned minor slipway repair at Lower Town, Fishguard, Pembrokeshire, SA65 9LX (location plan attached).

The repair involves replacing the lower section of slipway approx. 3m in length as the existing has eroded away.

The repair will consist of removing any remaining concrete, and then forming timber shuttering for in-situ concrete.

The work should take 2 days to complete and will be done on neap tides to ensure the site remains above high tide level.

We look forward to receiving your comments.

Kind Regards,

Angharad Llewelyn
Coastal and Rivers Engineer - Infrastructure
Pembrokeshire County Council
