Dear Mr Smith

Transfer of permit

Permit reference: BP0354801

Operator: Aqua Farms Limited

Facility: Ragworm Farm, West Marsh Farm, Laugharne, SA33 4RS

Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from Factorweb Limited to Aqua Farms Limited will take effect from 28/12/2018.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit please use our preferred method of request by emailing datadistribution@naturalresourceswales.gov.uk to gain a copy.

You will need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on our website at <http://naturalresources.wales/media/2124/how-to-comply-with-your-environmental-permit-additional-guidance-for-water-discharge-and-groundwater-from-point-source.pdf>

If you wish to keep your records at a site other than that of the facility, you will need to tell your local area officer within 20 working days of receiving this letter. If you do not hear back from them within a further 20 working days please take this to mean we have agreed your record keeping location.

If you have any questions about billing please contact our finance department. Phone 0300 065 3000 and select the appropriate option from the menu to be transferred to our finance team.

If you have any other questions about the permit please contact the site officer/area team, phone the Customer Care Centre and ask to be transferred.

Yours sincerely

Alexander Cowell
