Accordingly, please find attached for your review and retention a copy of Marine Licence **CML2339** and its conditions.

Advisory Note

Marine Licence **CML2339**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **CML2339** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **CML2339** is solely granted for the work to be undertaken at RAF Valley, Anglesey, however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

This agreement was in place in previous licences for this activity. They can be contacted by emailing -

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within **28 days** of the receipt of this letter.
