Subject: Welsh Water Beach Road Pumping Station - Bangor Borehole investigation

Dear Sir/Madam,

Eric Wright Water Limited are contractors working on behalf of Welsh Water. We are planning to drill an exploratory Cable Percussive Borehole in the vicinity of Welsh Water Beach Road sewage pumping station in Bangor. Borehole is 150mm diameter hole, 10 meter deep. We have applied for Band1 Marine Gwynedd Archaeological Trust has no objections to the works to be carried out and consider the application as Band 1 Marine Licensing. Location of the BH is shown below;
