The following notice gives notice of the variation of an environmental permit.

This is an NRW lead variation to amend the operator name from the company trading name of Mr I.R. Jones and Co to the sole operator of Mr John C Jones. The variation also corrects the site map that was erroneous on the GWDD EPR update issued in 2010.

The status log of a permit sets out the permitting history, including any changes to the permit reference number. It is not backdated before 6 April 2010.
