Dear Miss Davey

**We need more information about your application**

**Application reference: PAN-023536**

**Operator: Bartley Power Limited**

**Facility: Plas Bennion Road, Ruabon, LL14 1TP**

Thank you for your application received on 31/07/2023.

I need to ask you for some more information before I can do any more work on it. Please would you

- Provide a summary of your environment management system (EMS) or/and a copy of ISO accreditation certificates for environmental management (ISO 9001 and ISO 14001) as mentioned in your non-technical summary.
- Provide us with more information to question Form B3 Annex 8 Question . Provide the full NACE code in the format as outlined [EUROPA - Competition - List of NACE codes](#). The answer to appendix 8 states 3511 but this is not in the format of the NACE code.
- Can you also confirm if the information supplied in the document on combined heat and power relates to the justification on not requiring a cost benefit analysis under Schedule 24.
- With regards to the backup diesel generator mentioned in your non-technical summary can you
  - Confirm its thermal input (MWth)
  - If the medium combustion plant directive (MCPD) apply or not. If MCPD do not apply to the diesel generator provide reasons/justification.
- Provide the additional information to support your air quality modeling.
  - Isopleths of the emissions of NOx for human and ecological receptors.
  - Provide more information on how the Shawbury meteorological station is representative.
