**Subject:** Marine Licence Pre-Application Conwy and Deganwy Culvert Maintenance

Dear Sir,

We are in the process of submitting two Band 1 Marine Licence Applications for culvert maintenance works to our Morfa Drive Culvert, Conwy and our Station Road Culvert, Deganwy. As part of the maintenance works we will be changing the existing flap valve to reduce flooding to the highway. As part of the application process we require your comment.

Please find attached a location plan showing the locations of both culverts.

Our Contractor will provide Method Statements and Risk Assessments for the works, which will include suitable fencing / signage as required for safe execution of the task.

If you require any further information please let me know.

Thanks
