## **1.0 INTRODUCTION**

- 1.1.1 This 'Pre-application Consultation Report' (PAC Report) has been prepared to accompany a planning application (the Application) made by Kronospan Limited (hereafter referred to as the Applicant) for planning permission for the construction and operation of a north access road into the Kronospan Facility, lorry park, roundwood storage areas and associated structures, 132kV substation, and ancillary works (the Proposed Development) on land immediately north of the existing Kronospan facility, Holyhead Road, Chirk (hereafter referred to as the Site).
- 1.1.2 In accordance with The Town and Country Planning (Development Management Procedure) (Wales) (Amendment) Order 2012 (DMPO 2012), and subsequently amended in 2016 (DMPO 2016), the applicant has undertaken the necessary public consultation procedures prior to submitting a Major application. Subsequent amendments to the DMPO were made in 2020 in light of Coronavirus. The requirements are set out within Section 2.0 of this report.
- 1.1.3 Article 4 of the DMPO 2016 provides that, where an applicant has been required to carry out pre-application consultation, and submits an application for planning permission, that application must be accompanied by a Pre-Application Consultation report (PAC Report). This document is the PAC Report in respect of the above application.

## **2.0 PRE-APPLICATION CONSULTATION REQUIREMENTS**

### **2.1 Overview**

- 2.1.1 Pre-application consultation on Major Applications became a legal requirement in Wales for all major applications submitted on or after the 16 March 2016. The pre-application consultation requirements are set out within Article 4 of the DMPO 2016 (which provides for amendments to be inserted after Part 1 of the 2012 Order).

### **2.2 Statutory Publicity**

- 2.2.1 Applicants are required to publicise a proposed application for a Major Development by giving requisite notice by site display in at least one place near the land to which the application relates for no less than 28 days (article 2C(1)(a)(i)); and in writing to any owner or occupier of any land adjoining the land to which the application relates (article 2C(1)(a)(ii)).
- 2.2.2 On 19 May 2020, the Planning Applications (Temporary Modifications and Disapplication) (Wales) (Coronavirus) Order 2020 came into force ('2020 Order'). They have subsequently been extended twice. Most recently the Planning Applications (Temporary Modifications and Disapplication) (No. 3) (Wales) (Coronavirus) Order 2020 extended the provisions until 08 October 2021. The Orders brought in temporary changes in light of Coronavirus which the PAC had to accord with. They concerned making the PAC information available at a location in the vicinity. The additional guidance outlined has been followed to reflect the approach recently taken on a recent planning application for consistency.
- 2.2.3 The consultation period was between 14 October 2022 and 11 November 2022 with an extended period until 18 November 2022 agreed with Natural Resources Wales (NRW).

#### ***Site Display***

- 2.2.4 Site notices (in English and in Welsh) were erected on the 14 October 2022 publicising the proposed application. These notices were attached in three separate locations on lamp posts along Holyhead Road (beside the bus stop, opposite the Co-Op, and opposite Wern). Photographs of the posted notices are provided at **Appendix A**. A copy of the Site Notice is provided at

**Appendix B** in accordance with article 2F(2)(a)). Declaration that the notice was displayed in accordance with article 2C(1)(a)(i) is provided in **Appendix C**.

***Owners / Occupiers***

- 2.2.5 Notice was providing in writing to the owner / occupier of the land adjoining the land to which the application relates in accordance with article 2C(1)(a)(ii). The notices were sent on 14 October 2022. A copy of the notices sent are provided in **Appendix D** in accordance with article 2F(2)(c). Also in accordance with 2F(2)(c), the address of the owners / occupiers are provided in **Table 1** below.

***Information Available at a Location in the Vicinity***

- 2.2.6 The GDPO 2016 requires applicants to make information relating to the proposed application available for inspection at a location in the vicinity of the Proposed Development for not less than 28 days. The 2020 Order replaced this with “making the information available on a website” and “sending hard copies of the documents...to any person who requests them...”
- 2.2.7 The information was also made available on the Axis website, which provided a summary of the consultation and links to each draft document<sup>1</sup>.

---

<sup>1</sup> <https://www.axisped.co.uk/consultations/>

- 2.2.8 A hard copy of the specified information in the form of a draft planning application was deposited at Reception, Kronospan, Holyhead Rd, Chirk, LL14 5NT for public viewing from 8:30am on 14 October 2022 for 35 days. A record of visitors was taken at the reception.
- 2.2.9 No members of the public visited the Kronospan site to view the draft planning application.
- 2.2.10 A hard copy of the documents was provided for display in Chirk Parish Hall. They were delivered on 14 October 2022.

## **2.3 Statutory Consultation**

### ***Community Consultees***

- 2.3.1 'Community Consultees' are defined within the DMPO 2016 as being each county or county borough councillor representing an electoral ward in which the land to which the proposed development relates, and each community council in whose area the land to which the proposed application relates.
- 2.3.2 Article 2D(2) of the DMPO 2016 requires that where an applicant is required to consult a Community Consultee, giving them notice in writing of the proposed application. Pursuant to Article 2D(2) the Councillor representing Chirk South ward on Wrexham Borough County Council (WCBC) and the Clerk of Chirk Town Council were consulted by notice in writing on the 14 October 2022. Copies of all notices given to Community Consultees are contained within **Appendix E**.

### ***Specialist Consultees***

Article 2D(3) of the DMPO 2016 requires that where an applicant is required to consult a Specialist Consultee, then they must give them the notice in writing and enclose each of the documents that have been placed on public deposit (See Paragraph 2.2.5 above). Copies of all notices given to Specialist Consultees are contained within **Appendix F**.

- 3.1.4 Due to the number of responses received via individual members of the local community, those responses are not included in **Appendix G**, but are grouped by theme and summarised in **Appendix I**.
- 3.1.5 **Appendix I** also details how account has been taken of each themed response (including where the Proposed Development design was amended, or further information provided in the planning application documents).
