

Taller sections of proposed earth bund visible above the roadside hedgerow

Glimpses of less elevated sections of earth bund through the roadside hedgerow

Proposed weighbridge building

Glimpses of the proposed earth bund through the roadside hedgerow (this is not shown on the photomontage, due to the difficulty of illustrating visibility through every gap between twigs and branches)

Print on paper at the following size. 841mm width x 420mm height (A1 width x A3 height)
View at a comfortable arm's length

Photomontage View
Year 0 (winter)
