Subject: RE: Deeside Raw Water Main - Dewatering-Licence Application - Sweco Agent Confirmation

Hi Johnny,

I trust the below cover it?

To all concerned,

"I would like to confirm that Sweco, as the agent, have the authority to act as signatory on behalf of Evolve infrastructure, for the single limited purpose of the dewatering application for the Deeside Raw Watermain project being completed on behalf of Dwr Cymru Welsh Water".

Kind regards,

Jon Bryant MSc BSc HONS MCIOB MAPM  
Framework Director

Jon

Could you take a look at the email below please and provide an email for Jon Burns to assist in the Dewatering application please.

Regards  
John Gregson  
North Wales Project Manager
