

Apply for a Band 1 marine licence

Project description

Project name
Brockwier bridge (repainting)

Please provide a brief description of the proposed project, including location.
Gloucestershire County Council propose to complete maintenance works to Brockweir bridge piers, spanning between Wales and England over the River Wye at Brockweir village. Maintenance works to include repainting of the piers, utilising a temporary pontoon surrounding the piers. A 14m width water navigation path shall be made available between the temporary pontoons. Bridge is located at OS grid ref: 353873, 201132 Nearest postcode: NP16 7NH

Does the activity have an estimated project cost for marine works over £1 million? If yes, the activity is no longer eligible for a band 1 application and a band 3 application will be required.
No

Applicant details

To whom the licence will be issued. This must be a legal entity such as an individual, registered company/ charity or public body.	
Title	Mr
Full name	Craig Llewellyn
Company or trading name	Gloucestershire County Council
Company Registration Number (if applicable)	n/a
Name of contact or individual (if different)	GCC
Position in company	Assistant Engineer
Address (provide registered company address if applicable)	Shire Hall, 5th Floor, Bearland, Gloucester - -
Postcode	GL1 2TH
Telephone number	01452 583678
Email address	craig.llewellyn@gloucestershire.gov.uk

Details of agent, contractor, vehicles and/or vessels used to carry out works

Agent details

This is who we will correspond with unless otherwise informed. If no agent is identified we will contact the applicant.

Title	Mr
Full name	Alex McGregor
Company or trading name	Ringway
Company Registration Number (if applicable)	2756434
Name of contact or individual (if different)	n/a
Position in company	Contract Manager
Address (provide registered company address if applicable)	Highways Commissioning, Block 5, 6th Floor East, Shire Hall, Gloucester - -
Postcode	GL1 2TH
Telephone number	07912 541486
Email address	alex.mcgregor@ringway.co.uk

Does the applicant wish to be included in all correspondence?

Yes

Will the works require the use of vessels?

Yes

Will the works require the use of any vehicles?

Yes

Proposed project details

Licensable period

Determination of applications will be based on the works taking place during these dates. Please ensure you have included an adequate contingency period. If works are not completed by the requested licence expiry date you may be required to submit a new application. Including a contingency period within your original application does not impact on the licence fee.

Start date (DD/MM/YYYY)	24/05/2024
Requested licence expiry date (DD/MM/YYYY)	07/06/2024

Please detail the location of the proposed project.

This should be either Ordnance Survey National Grid Reference (i.e. SN 12345 67890) or Latitude and Longitude in decimal degrees to 4 decimal places (i.e. Lat 52.1234 Long -4.1234), defining the extent of the project. Please specify which coordinate system has been used and if using GIS co-ordinates, specify which projection has been used.

Ordnance Survey National Grid Reference: SO 53873 01132

Method statement

Are the works within a sensitive area or one of the following activities: boreholes, replacement piles or beach management?

Yes

Band 1 method statement template

You can upload your method statement here or fill in the questions below.

- File: band-1-low-risk-activity-method-statement-Brockweir 2024.pdf - [Download](#)

Materials of the project

Description of materials to be deposited seaward of Mean High Water Springs (MHWS) (Please tick all that apply)

Other (please provide a description of materials):
NONE, all materials will be stored above high water levels on hardstanding area, most likely on the A466 within site compound (within TM on carriageway)

Delivery method of materials to site

If sea delivery, details of vessels to be used with a chart of proposed route and transhipment area is required. If delivery is by vehicle, the details about the proposed access route are required. Please indicate if you are providing details in a separate file.

All deliveries will be done by vehicles on road to the bridge, most likely via A466

Will the works involve removals seaward of MHWS?

No

Description of objects/materials to be removed seaward of MHWS, including quantities to be removed.

None

Additional information

Please provide the following:

You must include a suitably scaled extract of an Ordnance Survey Map or Admiralty Chart with location of project complete with north arrow and scale

If applicable, any construction plans and sectional drawings showing those proposed works below/seaward of MHWS, which should give details of the materials to be used (for beach replenishment the quantity, particle size and source of material to be deposited and deposit location is also required)

Please upload these below
