

Schedule 5 - Notification

These pages outline the information that the operator must provide.

Units of measurement used in information supplied under Part A and B requirements shall be appropriate to the circumstances of the emission. Where appropriate, a comparison should be made of actual emissions and authorised emission limits.

If any information is considered commercially confidential, it should be separated from non-confidential information, supplied on a separate sheet and accompanied by an application for commercial confidentiality under the provisions of the EP Regulations.

Part A

Permit Number	EPR / BP 17721Z
Name of operator	P&B TON CARDIFF
Location of Facility	283 PENARTH RD CARDIFF
Time and date of the detection	7-3-19 9.40am

(a) Notification requirements for any activity that gives rise to an incident or accident which significantly affects or may significantly affect the environment
