Brief description of licence variation that is required. (Identify licence condition numbers and reference the supporting documents within your current licence which are likely to be affected)
Please could the maximum number of rock bags for Sections 7 to 8 in Appendix 2 be amended from 20 to 26 as shown in the attached table, which was originally sent via email to clarify the deposit total before the consultation period started. This would ensure the licence deposit amount for this location (also known as Location K) matches the requested maximum total of rock bags to be installed during the remedial works.

Please upload all supporting information for this request (where applicable)
