

Apply to vary a marine licence

Variation request details

Marine licence number
CML2125

Expiry date of current licence
* 30/09/2026

Licence holder name
Swansea University Sam Rees

Variation type
Complex change

Brief description of licence variation that is required. (Identify licence condition numbers and reference the supporting documents within your current licence which are likely to be affected)
To alter the experimental design of a seagrass harvester from an BACI experimental area of 100m2, to a larger scale test area within the boundary of the licence to test the feasibility of using a seed harvesting unit to address this bottleneck in seagrass restoration. See attached supporting document 'Request for changes to licence CML2125 2024.docx'

Please upload all supporting information for this request (where applicable)
