Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

Natural Resources Wales Officers Chloe Howard and Chris Gurney attended Woodlands Outdoor Centre on 20/02/24 to assess their Water Discharge Permit, under the Environmental Permitting Regulations.

After speaking with the owner it was established that this permit is no longer needed due to the septic tank now discharging to ground. These means you will need to surrender the current permit you have with us (Permit Number: AN0269901). You can does this by following the link below:

<https://naturalresources.wales/permits-and-permissions/water-discharges-and-septic-tanks/discharges-to-surface-water-and-groundwater/surrendering-giving-up-your-permit-for-water-discharges/?lang=en#:~:text=You%20can%20cancel%20your%20permit,the%20activity%20of%20your%20permit%20covered.>

Unfortunately there is a fee to do this of £352.

Once this has been complete you will then need to apply for an exemption. This involves registering your septic tank for free so that we have it on our systems.

Chloe Howard
