

Apply for a Band 1 marine licence

Project description

Project name

GI for Kinmel Bay Coastal Defence Improvement Scheme

Please provide a brief description of the proposed project, including location.

Ground investigation works on the foreshore will consist of open excavated trial pits at all proposed access step locations and Cone Penetration Test at access steps AP8 & AP9, approximately 30m from the sea wall.

GI will support the detailed design of works under the Improvement Scheme which is licensed under reference CML2272 and undertaken on behalf of Conwy County Borough Council.

The project location is Kinmel Bay, Conwy as shown in location plan CH1701-AMEY-HGN-XX-DR-CH-0101-Location-P03 attached to the Method Statement.

Does the activity have an estimated project cost for marine works over £1 million? If yes, the activity is no longer eligible for a band 1 application and a band 3 application will be required.

No

Applicant details

To whom the licence will be issued. This must be a legal entity such as an individual, registered company/ charity or public body.

Title	Mr
Full name	Dafydd Elis
Company or trading name	Jones Bros Ruthin (Civil Engineering) Co Ltd
Company Registration Number (if applicable)	Regd. in Wales No. 983459
Name of contact or individual (if different)	Stephen Blunt
Position in company	Environment Lead
Address (provide registered company address if applicable)	Ty Glyn, Canol Y Dre, Ruthin, Denbighshire
	-
	-
Postcode	LL15 1QW
Telephone number	07769 983246
Email address	stephen.blunt@jones-bros.com

Details of agent, contractor, vehicles and/or vessels used to carry out works

Does the applicant wish to be included in all correspondence?

Yes

Will the works require the use of vessels?

No

Will the works require the use of any vehicles?

Yes

Proposed project details

Licensable period

Determination of applications will be based on the works taking place during these dates. Please ensure you have included an adequate contingency period. If works are not completed by the requested licence expiry date you may be required to submit a new application. Including a contingency period within your original application does not impact on the licence fee.

Start date (DD/MM/YYYY) 01/04/2024

Requested licence expiry date (DD/MM/YYYY) 31/03/2025

Please detail the location of the proposed project.

This should be either Ordnance Survey National Grid Reference (i.e. SN 12345 67890) or Latitude and Longitude in decimal degrees to 4 decimal places (i.e. Lat 52.1234 Long -4.1234), defining the extent of the project. Please specify which coordinate system has been used and if using GIS co-ordinates, specify which projection has been used.

Centered on SH 98635 80672

Limits of project CML2272 are stated in that licence, and in Method Statement uploaded with this application.

Method statement

Are the works within a sensitive area or one of the following activities: boreholes, replacement piles or beach management?

Yes

Band 1 method statement template

You can upload your method statement here or fill in the questions below.

- File: Kinmel Bay GI MS Rev 1.pdf - [Download](#)

Materials of the project

Description of materials to be deposited seaward of Mean High Water Springs (MHWS)
(Please tick all that apply)

Other (please provide a description of materials):
NO materials deposited (ground investigation only)

Delivery method of materials to site

If sea delivery, details of vessels to be used with a chart of proposed route and transshipment area is required. If delivery is by vehicle, the details about the proposed access route are required. Please indicate if you are providing details in a separate file.

No materials used for this ground investigation. All plant access is by road via St Asaph Avenue car park. See Method Statement.

Will the works involve removals seaward of MHWS?

No

Description of materials to be removed seaward of MHWS (Please tick all that apply)

Other

Description of objects/materials to be removed seaward of MHWS, including quantities to be removed.

No materials removed. All material excavated for trial pits will be replaced into the same excavation before tide returns.

Additional information

Please provide the following:

You must include a suitably scaled extract of an Ordnance Survey Map or Admiralty Chart with location of project complete with north arrow and scale

You must include details of correspondence with MCA, Trinity House and The Crown Estate

Correspondence with RCAHWW (B1 removals only)

Please upload these below

- File: 20240326smb MCGA_TH Marine Licence consultation.pdf - [Download](#)
- File: 20240326smb CPAT_RC Marine Licence consultation.pdf - [Download](#)

Please list below all supporting documents that have been submitted with this application.

OS Map forms part of drawing within the Method Statement which is uploaded. The wider project is licensed by CML2272 and there has been no further correspondence with the Crown Estate.

All works will be completed and reinstated between tides (ie fully exposed condition throughout) so there is no risk to navigation, but MCA and Trinity House have been sent enquiries for completeness (uploaded).

Excavation works are involved and so CPAT and RCAHWW have been sent enquiries (uploaded), but the main works are already licensed by CML2272.

Statutory powers

Does the applicant have statutory powers to consent any aspect of the project? e.g. coast protection authority, dredging powers, statutory undertakers

No

If yes, please give details and state the relevant legislation that gives these powers.

NB work is carried out on behalf of the local authority Conwy County Borough Council

Public register

Is there any information contained within or provided in support of this application that you consider should NOT be included on the Public Register on the grounds that its disclosure:

	Yes	No
Would be contrary to the interest of National Security?		X
Would prejudice to an unreasonable degree you, or some other person's commercial interest or those of a third party?		X

Application fee

Please provide the method of payment

BACS

Reference number (not BACS remittance no.)
