Dear Mr Williams

Thank you for your application of date. Unfortunately the variation you ask for is more than an administrative change. This means it's not duly made and we must return it to you.

As the application involved a change to one of the legal entities, which included a change of company number, we cannot process this application as an administrative variation and you will need to apply for a permit transfer.

To carry out the changes you want you need to complete a partial permit transfer application and the appropriate fee. We recommend that you talk to your local area office about the changes you want before you submit another application. Please call 0300 065 3000 and ask to speak to your local area office or your site officer.

We'll refund your fee separately.

If you have any questions please phone me on 0300 065 4448 or email
