

Permit application for a stand-alone medium combustion plant between 1 and less than 20 MW thermal input

Permit application type and about this form

I have read the guidance

Please select to confirm you have read the guidance and understand the assessments required to support your application

Air Quality Modelling Assessment for your MCP(s)

Please select one option

My MCP is within the minimum screening distances to the protected habitat sites given in the table

SCAIL Combustion Screening Tool

Has the SCAIL combustion tool screened out the emissions from your MCP?

If you answer 'Yes', you do not need to carry out any air quality modelling assessments, but you will need upload your completed SCAIL results template with your application in the next section. MCPs that screen out using the SCAIL combustion screening tool, require a simple bespoke permit.

If you answer 'No', you will require a complex bespoke permit and will need to carry out a site-specific air quality modelling assessment. You will need to use the 'Permit application for a stand-alone medium combustion plant that are also Specified Generators or Part B activities (MCP/SG/Part B) (opens in a new tab) and associated guidance (opens in a new tab).

Yes - please upload a copy of your completed SCAIL results template in the next section

Upload a copy of your completed SCAIL results template

Please upload your file

How many MCPs do you have?

Enter the number of MCPs you have

1

MCP 1 Information

MCP name / identifier

Identifier - the MCP must be traceable via a serial number or other unique identifier, name plate, manufacturer and/or model.

Beel Minster Industrial - 10798

Did your MCP come into operation:

Before 20th December 2018 (known as existing plant)

What is/was the operational start date of the MCP?

* 31/12/1999

Is your MCP mobile or stationary?

Stationary

Please provide the address, postcode and National Grid Reference (opens in a new tab) of where your MCP is located, or if it's a mobile MCP, where the MCP will be deployed.

Address: Afonwen, Pwllheli, Gwynedd

Post code: LL53 6NQ

Local Authority: Gwynedd Council

National Grid reference of MCP: SH 43665 37851

What is the size (capacity) of the MCP (MWth)?

If your MCP is equal to or greater than 20MW thermal input, please apply for a MCP/SG/Part B permit.

This is the rate at which fuel can be burned at the maximum continuous rating of the appliance multiplied by the net calorific value of the fuel and expressed as megawatts thermal input (MWth) – NB NOT electrical output.

This information should be available on the MCP itself or within your service documents.

You can use the guidance to convert your units from kW to MW thermal input (opens in a new tab)

5.1

What is the type of your MCP?

Boiler

What is the fuel used by the MCP?

If you use more than one fuel (i.e. it is a dual-fuelled MCP), please tick all that apply

Natural gas

If you burn more than 3 tonnes per hour or burn waste that is not listed above, please 'save and continue' your application and contact us at mcpd.queries@cyfoethnaturiolcymru.gov.uk.

If you already have a permit issued by the Local Authority for the MCP please save application and contact us at mcpd.queries@cyfoethnaturiolcymru.gov.uk. You should not be using this form.

Does your MCP burn 50 kg or more of waste biomass per hour?

If you answer 'Yes', please use the MCP/SG/Part B application form (opens in a new tab) and guidance on our webpage (opens in a new tab)

Not applicable

If you use more than one fuel, what share of fuels do you use? For example 80% natural gas/20% gas oil. If you only use one fuel, please enter 100%.

100%

What is the expected operating hours per year of the MCP?

If your MCP runs constantly throughout the year, it's running hours will be 8760 per year. If your MCP runs for 2 hours per day, it's running hours will be 730 per year.

7723

Do you declare your MCP is not operated for more than 500 hours per year?

For new MCPs (first coming into operation on or after 20th December 2018), this means 500 operating hours per year as a rolling average over a period of three years.

For existing MCPs (first coming into operation before 20th December 2018), this means 500 operating hours per year as a rolling average over a period of five years.

If you state 'Yes' the MCP will be limited to 500 operational hours per year in the permit (if issued). You will not be subject to emission limits values (ELVs) unless you are using solid fuels, however you are still required to monitor emissions from the MCP.

No

Have you completed any emissions monitoring on the MCP?

No

If you have an existing MCP, do you declare the existing MCP can meet the emission limit values on new MCP.

You can voluntarily declare that your existing MCP can meet the new MCP emission limit values, if you do we will include those limits in your permit.

No

What is the average load in use of the MCP in percentage?

For new MCPs this will be an estimate. We need to know the average rate (load) the plant operates at when it is running.

This needs to be expressed as a percentage of the plant maximum capacity. For a replacement plant this information can be based on the historic duty of the plant it is replacing. Such estimates can be based on the total energy supplied (or fuel used), the plant capacity and the number of hours of actual operation.

An average figure for the last 2–3 years should be provided. For a completely new plant, this figure should be based on the design criteria of the plant. In some cases, if the plant is controlled by temperature thermostats and only operates in on/off modes, this figure is likely to be 100%.

100%

Do you want to enter details for another MCP

No

Air Quality Management Area (AQMA)

Is your MCP located within an Air Quality Management Area (AQMA)?
To find out if your MCP is located within an AQMA visit the AQMA interactive map

No

If your MCP is located within an Air Quality Management Area, which local authority boundary it is in?

We will consult the Local Authority to check if your MCP is identified in the associated Air Quality Management Plan.

Not applicable

Non technical summary

Please provide a summary that explains your application, in non-technical language as much as possible, avoiding technical terms, detailed data and scientific discussion.

This should include a summary of the site and a summary of the key technical standards and control measures arising from your risk assessment. If your application is for a mobile plant describe the mobility of your plant and how you intend to operate.

If you wish to upload your non-technical summary as separate document please enter 'document uploaded' in the text box below.

Document uploaded

Alternatively, please upload your non-technical summary document

Management systems

You must have an effective, written management system in place that identifies and reduces the risk of pollution. You may show this by using a certified scheme or your own system. Your permit requires you (as the 'operator') to ensure that you manage and operate your activities in accordance with a written management system.

You can find guidance on management systems on the GOV.UK website

Tick to confirm that you have read the guidance and your management system will meet our requirements

Who can we talk to about your application?

This can be someone acting as a consultant or 'agent' for you.

First name: Jonathan
Last name: Franks
Address: Serendipity Labs, Building 7, Exchange Quay
Post code: M5 3EP
Local Authority: Salford City Council
Phone number: 01617060075
Email address: Jonathan.Franks@red-env.co.uk

Who can we talk to about your operation?

Complete new details below

New contact details for your operations:

First name Hugh
Last name: Valentine
Address: Afonwen, Pwllheli, Gwynedd
Post code: LL53 6NQ
Local Authority: Gwynedd Council
Phone number: 07895484085
Email address: hughvalentine@jsg.com

Who can we talk to about your billing or invoice? *

Complete new details below

New contact details for billing or invoice

First name Amy
Last name: Weston
Address: Johnsons House, Abbot Park, Preston Brook
Post code: WA7 3GH
Local Authority: Halton Borough Council
Phone number: 01928704635

About you

Who will be the permit holder?

A registered company or other corporate body

Registered Company or Other Corporate Body

Please provide details below

Company name: Johnsons Hotel Linen Limited
Company address: Johnsons House, Abbots Park, Preston Brook
Cheshire
Company postcode: WA7 3GH
Company registration number: 11842729
Date of registration (DD/MM/YYYY): 22/02/20219

If you are applying as a corporate organisation that is now a limited company, please upload evidence of your status.

If you are an unregistered corporate body, you will need to give us evidence that you are a legal body and we can issue a permit to you.

Contact name for the company

First name: John

Last name: Kitchener

Email: johnkitchiner@jsg.com

Telephone: 07362241691

Tell us your Nomenclature of Economic Activities (NACE) code

Please provide the Nomenclature of Economic Activities (NACE)* code for the sector of your activity.

Common codes include: D.35.11 - Production of electricity G.47.1 - Retail sale in non-specialised stores I.55.10 - Hotels and similar accommodation J.61.30 - Satellite telecommunications activities O.84.23 - Justice and judicial activities P.85.2 - Primary education P.85.3 - Secondary education P.85.4 - Higher education Q.86.1 - Hospital activities Q.87.10 - Residential nursing care activities R.910 - Libraries, archives, museums and other cultural activities R.93.1 - Sports activities * NACE is the name given to the European system for categorizing businesses for statistical purposes. The SIC (Standard Industry Classification) system is used for classifying business activities in the UK, and it correlates to and is developed in conjunction with the European Union's system. There are a number of NACE search facilities that can be found via online search engines such as <http://www.export.gov.il/files/EEN/ListNACEcodes.pdf>. (opens in a new tab). It is the nature of the main business served by the plant that is of interest.

Your ability as an operator 'permit holder'

Relevant offences

Have you, or any other relevant person, been convicted of any relevant offence?

No

Do you or any relevant person or a company in which you were a relevant person have current or past bankruptcy or insolvency proceedings against you?

No

Confidentiality

We will normally put all the information in your application on a public register of environmental information.
However, we may not include certain information in the public register if this is in the interests of national security, or because the information is confidential.

Confidentiality

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons. If we agree with your request, we will tell you and not include the information in the public register. If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

I do not wish to claim confidentiality for my application

How do you want to pay?

How do you want to pay for your application fee?

Electronic transfer (e.g. BACS)

Paying by electronic transfer

Please provide your reference for the payment.

BACS reference: PRCAPPJOHSO060

Amount paid: £3906

How we collect your personal data

We will process the information provided by you in line with the Data Protection legislation. For more information on how we manage, store and use your data, see our Privacy Notice (opens in new tab)

I have read and understood this information

Freedom of Information

Under the Freedom of Information Act 2000, anybody may request information from a public authority. The Act grants two statutory rights: to be told if the public authority holds that information; and if so, to have that information communicated to you.

Find out how to request information under the Freedom of Information Act.

I have read and understood this information

Declaration

Are you signing the form on behalf of a relevant person?

Yes - If you are not a relevant person but want to sign the application on their behalf, you must upload written confirmation from the relevant person in the next question

Your declaration

I declare that the information in this application is true to the best of my knowledge and belief. I understand that this application may be refused or approval withdrawn if I give false or incomplete information.

I understand that if I knowingly or recklessly make false or misleading statement: I may be prosecuted If convicted, I may have to pay a fine and/or go to prison

Title: Mrs
