Dear Susan,

We are applying to change licences to abstract and impound water under section 64 of the Water Resources Act 1991 (as set out in the enclosed draft licence).

In line with the relevant legal requirements, we advertised the proposal in the local newspaper (a copy is enclosed) on 25<sup>th</sup> April 2019 and on our website. Please confirm whether the Welsh Ministers plan to call in the application. We have enclosed the following documents:

- Application forms
- A copy of the local newspaper advert
- A copy of the notice served on the water undertaker and National Park Authority
- A copy of the draft licences
- A copy of the determination report
- A copy of internal correspondence (Application supporting document)

If you will not be able to decide whether or not to call in the application within the 28-day period, please let me know as soon as possible.

Yours sincerely,

**Alexander Cowell**  
**Permitting Officer (Water Resources)**
