The information provided by you will be processed by Natural Resources Wales (NRW) in line with the Data Protection Principles to enable us to deal with your abstraction return, to monitor compliance with the licence conditions, to process renewals, and for maintaining the relevant public register.

We may process and/or disclose the information in connection with the following:

- Consultation with third parties who are relevant and responsible for responding to consultation requests from NRW.
- Prevent and investigate possible breaches of environmental law and taking any resulting action.
- Responding to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004, where Data Protection Act allows.
- Carrying out statistical analysis, research and development on environmental issues.

Declaration

Failing to submit returns data as conditioned within the abstraction licence or inform us that an abstraction has not taken place during the return period, is an offence under Section 24 of the Water Resources Act 1991 as amended by the Water Act 2003.

If this request for data is not a condition within the abstraction licence and you choose not to provide the data, we may exercise our powers under Section 201 of the Water Resources Act 1991 as amended by the Water Act 2003, to require you to submit the returns information.

If you make a statement that is false or misleading, you will be committing an offence under Section 206(1) of the Water Resources Act.

I declare that as far as I know and believe, the information and data provided in this abstraction return submission is true.

I confirm that I am authorised to submit returns data in respect of this abstraction licence and that I have read and understood the Data Protection notice shown above

Please confirm that you understand and agree with the Declaration above by signing and dating this form below.

You must always retain a copy of your return records on site for inspection.
