Dear Marine Space,

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE FOR: ZOOLOGICAL SOCIETY OF LONDON (ZSL)

LICENCE NUMBER: DEML2284

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated **14 December 2023** for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **DEML2284** and its conditions.

Advisory Note

Marine Licence, **DEML2284**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **DEML2284** carefully, in particular the need to advise Welsh Government Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **DEML2284** is solely granted for the work to be undertaken at **Conwy Bay**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

Please note that the Maritime Coastguard Agency (MCA) has requested that suitable arrangements should be made to ensure that any deployments remain secured to the seabed for the metocean conditions expected in the area, with a programme of regular inspection and maintenance of the works in place until completion of the licenced activities.

Please note that the MCA has also requested that appropriate recovery arrangements for all the equipment must be in place for decommissioning of the site on completion of the licenced activities, as per condition 3.12.

Please note that the NRW Advisory Team have requested that if the applicant proposes to use boats which are not from the local area to undertake the licenced activities, the applicant should contact the NRW Advisory Team directly for further biosecurity advice by emailing marine.advice@cyfoethnaturiolcymru.gov.uk

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.
