

**Site Plan**  
Scale 1:200

**NOTES ABOUT STATUTORY UTILITY PROVIDERS RETURNS**

1. THE POSITIONS OF THE EXISTING SERVICES ON THIS DRAWING HAVE BEEN INTERPRETED FROM INFORMATION RECEIVED FROM THE STATUTORY UNDERTAKERS (LINESSEARCH 23/1/21).
2. NO UTILITIES SHOWN ON AVAILABLE STATUTORY UNDERTAKER RECORDS IN PROXIMITY TO PROPOSED WORKS: VIRGIN MEDIA, WALES AND WEST UTILITIES.
3. THIS DRAWING HAS BEEN PRODUCED BASED ON THE ABOVE INFORMATION SOURCES. STATUTORY UNDERTAKER PLANS INDICATED THE PRESENCE OF A UTILITY SERVICE. THEIR LOCATIONS ARE INDICATIVE AND SHOULD NOT BE RELIED UPON FOR ACCURACY.
4. EXACT LOCATIONS OF UTILITIES SHOULD BE CONFIRMED ON SITE. THE CONTRACTOR SHOULD VERIFY, THROUGH POSITIVE IDENTIFICATION, THE LOCATION OF UTILITIES RECORDED IN CLOSE PROXIMITY TO THE WORKS.
5. THE CONTRACTOR SHOULD ANTICIPATE ADDITIONAL SERVICES CONNECTING TO THE PROPERTIES AND / OR STREET FURNITURE SUCH AS LAMPPOSTS THAT ARE NOT GENERALLY COVERED BY THE RETURNS FROM INDIVIDUAL STATUTORY AUTHORITIES.

Photo, taken from the right hand bank, immediately downstream of the weir, showing its poor condition [15/06/2023]

**Section 2**  
Scale: H 1:100, V 1:100. Datum: 99.000

**Nodiadau / Notes**

1. All dimensions in millimetres and all levels in metres to ordnance datum (Newlyn) unless stated otherwise.
2. Do not scale from this drawing. Only figured dimensions and levels are to be used.
3. No as-built or intrusive survey information about the weir is available. Assessment is based on visual inspection only.
4. Vegetation not shown on this drawing for clarity.
5. Ground levels where shown are from topographical survey carried out in 2022. Weir is in very poor condition and therefore levels are likely to change before construction. Levels are indicative and should be verified prior to construction.
6. Depth of weir unknown and indicatively shown. Contractor to confirm base level in advance of demolition works and inform designer if level is lower than this.

**Legend**

- Collapsed section of weir
  - Concrete
  - Existing Level
  - Existing fence line
- OS Ref: 293049.370476

**Legend - Utilities**

- Combined Drainage: Adopted Sewer - Existing
- Foul Drainage: Adopted Sewer - Existing

**SAFETY, HEALTH AND ENVIRONMENTAL INFORMATION**

In addition to the hazards/risks normally associated with the types of work detailed on this drawing, note the following:

- Construction**
- GEN-C-001 No as-builts of weir structure. Risk of uncontrolled collapse.
  - GEN-C-002 Himalayan Balsam
- Maintenance / Cleaning / Operation**

**Decommissioning / Demolition**

Refer to the design risk register for further details. It is assumed that all the works on this drawing will be carried out by a competent Contractor who has carried out a comprehensive risk assessment. Site wide risks are not shown, see CDM Risk Register for further details.
