Approval to act on behalf of Statutory Body – Network Rail

Project: Coastal Estuarine River Defences (CERDS) & Minor Works Structures 2024 (RA2490).

Network Rail (NR) approve Jason Davies and Dewi Williams (Project managers at Dyer & Butler Rail), to sign on our behalf relating to all relevant documentation pertaining to S28G Notices or related assent document requests or other supporting documents required by the competent authorities Natural Resources Wales and Natural England.

Jason Davies or Dewi Williams may instruct an approved sub-contractor to produce supporting documentation that may be required to complete license applications pertaining to the CERDS and Minor Works remits.
