### Introductory note

**This introductory note does not form a part of the notice.**

The following notice gives notice of the variation and consolidation of an environmental permit.

Barwn Ltd have applied to vary their permit for Tir Barwn Poultry Unit to add extra land to the permit's site boundry following the installation of a closed loop ground source heat pump, and the relocation of the wash water storage tank and fallen stock store.

The schedules specify the changes made to the permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
