Dear Natalie,

**EPR Permit AN0236801 – Maendy Quarry
Environmental Monitoring Data Submissions – July to September 2023**

We write on behalf of the permit holder in relation to the above site.

Please find enclosed the environmental monitoring data collected during the period of July to September 2023. The following data is attached within this submission:

- Surface water quality analysis

During the routine monitoring visit carried out in July samples were unable to be collected from the surface water discharge point MAE002 as this point was dry/not discharging.

If you need to discuss any matter in relation to the above then please do not hesitate to contact us.
